AMERICAN COLLEGE OF EYE SURGEONS
BLOOMBERG VIDEO COMPETITION
FOR CATARACT/IMPLANT SURGERY RESIDENTS

SPONSORED BY

The American College of Eye Surgeons (ACES) is pleased to announce the 2011 Bloomberg Video Competition for cataract/implant surgery residents, sponsored by Alcon, Inc.

What to submit:

- > Video of one complete, unedited cataract extraction performed by phacoemulsification. Cases without pre-existing complications only. No specialty IOLs will be accepted.
- > Video must be in standard VHS or DVD format.
- > Surgery must be performed entirely by the applicant.
- > No identification of surgeon on the actual recording.
- > No audio, music or voiceover.

How we pick the winners:

The surgical skills of each participating resident will be evaluated with the same specific points established by the American Board of Eye Surgery (ABES) to evaluate candidates for its sub-specialty certification program in cataract/implant surgery.

Deadline:

Video and completed application must be received by the American College of Eye Surgeons no later than **December 1, 2010.**

Prizes:

The 1st place winner will win a trip to St. Thomas, U.S. Virgin Islands—including airfare, hotel accommodations and conference registration.

Cash prizes will be awarded for 1st place (\$2,500), 2nd place (\$2,000) and 3rd place (\$1,500). The winners will also receive complimentary registration for the ACES/SEE QS seminar.

The awards will be presented on Sunday, February 13, 2011, at the ACES/SEE annual meeting. This annual meeting is being held in conjunction with the Society for Excellence in Eyecare (SEE) at Marriott Frenchman's Reef Resort, St. Thomas, U.S. Virgin Islands, February 11–15, 2011.

An additional benefit of participation is that prospective employers will have access to a good example of the applicant's surgical skill, provided permission is granted by the applicant.

Seminar registration:

In presenting this competition, the American College of Eye Surgeons hopes to encourage and promote the concept of quality surgery. With this in mind, the first ten residents nationwide to register for this meeting may do so for the special registration fee of \$200 (the regular registration fee is \$895). ACES also offers complimentary memberships to physicians during their residency training.

A tropical seascape with a sailboat on the water and palm trees in the foreground. The water is a vibrant blue-green, and the sky is a clear, light blue. In the distance, there are low mountains or hills. The foreground is filled with lush green palm trees and other tropical vegetation.
