RE: RELEVANT FINANCIAL RELATIONSHIPS WITH COMMERCIAL INTERESTS

Dear Faculty Member:

We are pleased that you are willing and able to participate in our CME activity.

The Dulaney Foundation is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing education for physicians. As such, we are required to resolve any potential faculty conflicts of interest.

We have implemented a process where everyone who is in a position to control the content of an educational activity will disclose to us all relevant financial relationships with any commercial interest. Should it be determined that a conflict of interest exists as a result of a financial relationship you may have, this will need to be resolved prior to the activity. In order for us to do this, please complete the attached disclosure statements and return them to us as soon as possible. **According to ACCME rules, if you refuse to disclose this information you will be disqualified from participation in this event.**

If you have no commercial relationships to declare, you do not need to complete the second form "Conflict of Resolution".

Again, thank you for agreeing to work with us in this continuing medical education event.

Sincerely,

Sharlee J. Van Orden

P.S. You may have completed one of these forms in the past but we are required to gather this information annually.
